Mr. Browning Welcomed and Introduced John Spencer and Donna Barnes to our School Community Council Meeting.

Donna Barnes complimented the council on their dedicated service to Willowcreek Middle School.

John Spencer and Donna Barnes came to speak to the council members about a program called "What Counts". Monitoring and Adjusting, District Monitoring, then Adjusting Feedback from the community. The District's mission statement "Educating all students to ensure the future of our Democracy."

John Spencer, informed us about the four Moral Dimensions.

- Enculturating the young into Social and Political Democracy.
- Equal Access to knowledge all students.
- Nurturing Pedagogy.
- Stewardship of the schools in an Educative Community.

Here at Willowcreek we have come up with a new activity called PAC (Parent Activity Calendar). Parents come during lunch time and supervise the students.

Magazine Fundraiser was a success for the school, thank you to everyone that helped with the Magazine Drive it is greatly appreciated.

We are needing volunteers for Reality Town that is on November 7, 2008.

- NEXT MEETING: Monday November 10, 2008  
12:00 Noon WMS Conference Room

Tom Wiltbank talked about the Updates on West Lake High School, they are having Open Enrollment for anyone. Lehi High School is closed. Only students that live in the Lehi Boundaries are able to attend Lehi High School, if they want to attend West Lake High they can, students that do not live in the Lehi boundaries have to attend West Lake, they do not have the option.
