

Immunization Requirements ALL GRADE ENTRY 2008-2009

In order to attend Willowcreek Middle School, a student must have proof of receiving the following immunizations:

- **3 Hepatitis B**
- **1 Tetanus/Diphtheria (Td) booster**
- **1 Varicella (Chickenpox)**
 - Previous history of chickenpox is OK; parent must sign verification statement on the school immunization record
 - If student is already 13 years old, 2 doses are required

This is in addition to other immunizations which should have already been completed (i.e. MMR, Polio, etc.)

New adolescent Td/Pertussis (Tdap) vaccines can be given to satisfy the Td requirement.

A child may be allowed to attend school "conditionally" if at least one dose of each required immunization has been completed and the child is currently on schedule to finish the rest. The remaining immunizations must be completed on schedule for the child to remain in attendance.

An appropriate Utah Department of Health Exemption form must be completed for those children who claim exemption to immunization for medical, religious, or personal reasons.
