

Willowcreek Middle School

School Community Council Meeting

Monday September 8, 2008

Attendance: Danelle Bates, Jen Betts, Mike Browning, Lisa Clement, Laura Giles, Tani Ireland, Leslie Jones, Natalie Petersen, Alison Randall, Tom Wiltbank.

Excused: Shauna Butler, Dixie Wilson

Group was welcomed by Natalie Petersen. Minutes from August meeting were read and approved.

Mr. Browning, was very pleased on how the first couple of weeks went here at Willowcreek Middle School. He expressed concerns about the chaotic nature of the Open House, and will work through how we can better serve the parents on this night.

Mr. Browning addressed the council on how the bus schedule is running for the 2008-09 school year. We have 40 buses at Willowcreek and have made two bus groups. The first group of buses serves WhiteHills, Fairfield/Cedar Fort, Town Center Eagle Mountain, Ranches Eagle Mountain, Silver Lake Eagle Mountain, Harvest Hills. The second group leaves immediately after, going to Sunrise Meadows, Southern Saratoga springs, and Lehi.

Willowcreek Success Night: Mr. Browning and parents were very pleased with the night. There was a lot of positive feedback. Parents were very pleased with the opening and closing session of Willowcreek Success Night. Mr. Browning gave an excellent presentation, on how the night was going to run. Our teachers here at the school did a wonderful job on presenting the parents with how each individual department was going to work with the students and how they could assist in the success of their students.

Heidi Moore addressed that she would like the name Walk-Away changed to Mastery Testing. She also went to the Trustland website to see where we are able to spend the money. Looking at that information a lot of the schools have used the money for textbooks, reading, math, guided study, etc...

Council members will be putting together a question and suggestion area on the Willowcreek website to give parents an opportunity to express there opinion or have any questions about school community council.

Items from Council Members: There were no new concerns or items from the council.

Just a reminder that our Magazine Drive begins September 26-October 10, 2008. This year we are working to raise funds to beautify our school.

NEXT MEETING: Monday October 13, 2008

11:00 A.M.

WMS Conference Room
